

# AUCKLAND DISTRICT HEALTH BOARD

## Election of Seven (7) Members

---

### **Bob TIZARD**

*City Vision Health*

In the health field, my experience ranges from a year as a Blue Coat volunteer guiding visitors to the new Auckland city Hospital in its commissioning phase, back to a term as Minister for Health in the Kirk Government. I also had a term as Chair of the Advisory committee set up by the Minister for Senior Citizens. More broadly, I have wide experience in administration, serving nearly nine years in major Cabinet posts. I have always enjoyed physical activity and am about to start a seventieth season as a full playing golf member. I still regret giving up squash, having run out of opponents from my own age group. I am ready for full, vigorous participation in all the business of the Auckland district Health Board. Please vote 1,2,3,4 for me and the City Vision Health team for a wide range of experience.

#### *Conflict of Interest Statement*

To the best of my knowledge and belief, I have no conflicts of interest with the (insert name) District Health Board at the date of my notice of consent to being nominated as a candidate for membership for the board of the District Health Board, and I do not believe that any such conflicts of interest are likely to arise in future.
