

AUCKLAND DISTRICT HEALTH BOARD

Election of Seven (7) Members

Ian SCOTT

City Vision Health

After 38 years as a doctor and with 3 specialist qualifications, I have enormous experience at all levels of the health service. I am passionately interested in the care of the dying, good community care and helping those with addictions.

I have been an elected member of the District Health Board for 6 years and have assisted in getting on top of the huge debt the Board inherited, while at the same time completing the building of the finest hospital in New Zealand.

Delivering good health care from community level through to highly specialised hospital services requires the clear vision, skills, caring concern and experience that I can bring to my duties as a member of the Board. I ask you to vote 1,2,3,4 for me and the other members of the City Vision Health team to enable us to continue this work.

Conflict of Interest Statement

I hereby disclose the following conflict of interest with the Auckland District Health Board at the date of my notice of consent to being nominated as a candidate: Deputy Chair Alcohol Advisory Council (ALAC) of NZ.
