As a result he has a considerable knowledge of ADHB and the challenges confronting the organisation. It is very clear to him that over recent years there have been relationship problems at ADHB, there has been a breakdown of robust processes and a loss of good staff. He believes with his background, he can assist rebuilding the confidence of the public, ensuring the public health system is robust and provides a credible service. Conflict of Interest Statement

To the best of my knowledge and belief, I have no conflicts of interest with the Auckland District Health Board at the date of my notice of consent to being nominated as a candidate for membership for the board of the District Health Board, and I do not believe that any such conflicts of interest are likely to arise in future.
