

AUCKLAND DISTRICT HEALTH BOARD

Election of Seven (7) Members

Jo AGNEW

City Vision Health

I am a Charge Nurse Manager in Ward 63 of the Older People's Health Service at Auckland City Hospital.

I have been a nurse for many years and I am passionate about my profession and about caring for the elderly. We are all living longer now and it is essential that we are able to enjoy an active and productive life as long as we can. When this is no longer possible it is our duty to provide

compassionate palliative care.

We must maintain an effective Public Health Service with a high standard of delivery for the people of Auckland and the Board has an important part to play. We need nurses on the Board if we are to have better representation of patients' needs. I am a strong advocate for nurses and for older people. Please vote 1,2,3,4 for me and the City Vision Health team.
